

OPTIONAL PERFORMING ARTS ACTIVITIES TO DO AT HOME!

P-2

Create your own concert performance!

Put all of your toys in a group
set up like an audience
and sing a song to them...

Design and draw a new musical instrument.

Think about all of the different instruments and create your own hybrid instrument.
Explain what it does, how to use it and what sort of sound it makes.

If you want to challenge yourself you can try to make a model of it.

Learn to whistle or practice whistling!

Once you can start whistling see if you can whistle a tune/song that you know.

Discover new music

Talk to your parents/guardians/older brothers or sisters and ask them what sort of music they liked and what they listened to.

Get them to show you the music so you can have a listen.
Do you like the music? What was it? How is it different to the music you listen to now?
