

TRUGANINA SOUTH PRIMARY SCHOOL

20th November 2023

Dear Parents/Guardians of 2024 Year 2 students,

At Truganina South Primary School, the child is at the centre of all we do. We collaborate to support student wellbeing and learning, preparing our students for happy and successful futures. We are committed to providing the very best education for all our students. We are looking forward to a great year of teaching and learning and would like to advise you of our school's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian Curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing financial support of our families ensures that our school can offer the best possible education and support for all our students. We want to thank you for all your support in the past. This has made a huge difference to our school and the programs we can offer.

Previously, our families have supported us by paying these contributions which has allowed us to deliver holistic, robust and enriching educational programs.

Within our school this support has allowed us to provide extra specialist programs such as The Arts (Visual and Performing), Physical Education, Science and Mandarin. Students have also had access to digital learning platforms such as Reading Eggs, Mathletics, Seesaw and Google Classroom. Our students' wellbeing has been strongly supported by programs such as The Resilience Project, School Wide Positive Behaviours and Respectful Relationships. Our students have had access to a wide range of materials and experiences that has allowed them to create and innovate. This underpins our philosophy of nurturing happy, healthy and resilient children.

In order to sustain these programs, we hope that your financial support continues.

Please note that for 2024, Parent Payments are split into two parts:

- A. Curriculum Contributions \$175 – **Paid directly to the school via COMPASS**
- B. Educational Items for your child to own \$75 – **Paid directly to Paperchase**

Please refer to the following documents for a comprehensive break down of these payments.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Additional Items:

1:1 iPad Program – Bring Your Own Device

Truganina South Primary School is promoted as a 21st Century School providing all students with the opportunity to engage with technologies that enhance their learning. **To enhance your child/children's learning, this device should be brought to school, fully charged every day.**

As part of this program, **all families are strongly encouraged to equip their child with an iPad.** These can be either an iPad Mini or full-sized iPad.

The **minimum requirements** are an "iOS 15 compatible" or "iPad 5th Generation" onwards, however, if you are purchasing a new device, we recommend 2023 iPad models such as iPad Pro, iPad Air, iPad or iPad Mini. For storage purposes – minimum storage of 32GB is recommended so that your child can store photos and videos as well as their schoolwork. Our school has created a list of apps that are utilised to enhance your child's learning. Please visit our school website for this information.
